<b>1 Introduction</b>	<b>1</b>
Fostering for adoption (FfA)	2
The origins of concurrent planning	4
Key elements of concurrent planning	4
Demands of concurrent planning	6
Government's Action Plan and proposals for adoption reform in England	6
Adoption Guidance	8
Concerns about concurrent planning	8
Why this guide?	9

---

<b>2 Research overview</b>	<b>11</b>
Early environment, attachment and brain development	12
Pre-birth experience in utero	14
Impact of maltreatment on infants after birth	14
Interventions and responses to maltreatment	15
Separation, contact and transitions	16
Early placement for adoption	18
Implications of the research findings	19

---

<b>3 History of concurrent planning</b>	<b>21</b>
Introduction	21
History of concurrent planning in the US	22
The current situation in the US	24
History of concurrent planning in England	26
The current situation in the UK	32
Summary of lessons from the pioneering UK teams	34

---

<b>4 The legal framework</b>	<b>35</b>
Concurrent planning: basic legal principles	35

Pre-proceedings – adherence to the pre-proceedings pathway of the Public Law Outline and appropriate approval of the potential carers	37
The application to the court – is removal into care justified, is an order needed?	42
Understanding and addressing perceptions and concerns about the interim care plan	45
The final care plan: rehabilitation to the parents or adoption?	54
Where the plan is for adoption	55
Summary	56
<hr/>	
<b>5 Concurrent care planning pathway</b>	<b>57</b>
Pre-birth assessments	57
Decision making about a concurrent care plan	60
Matching issues	63
Risk assessment	67
The role of the supervising social worker in the matching process	70
Transition planning	71
Work with parents	73
Decision making about the final care plan	76
<hr/>	
<b>6 Recruiting, assessing, supervising and supporting concurrent carers</b>	<b>78</b>
Recruitment	78
Assessment	86
The panel process	95
Support and supervision	96
<hr/>	
<b>7 Contact</b>	<b>104</b>
Setting the scene	104
The impact of contact on infants	105
Research findings	105
Making infant-centred contact plans	109
Contact in practice	115
Contact and support should rehabilitation be the outcome	121
Contact and support should adoption be the outcome	121
Contact after adoption	122
<hr/>	
<b>8 Implementation issues</b>	<b>124</b>
Assessing viability	125

Models of delivery	127
Implementation	137
<b>9 Conclusion</b>	<b>141</b>
<b>Appendix 1:</b> Brighton and Hove City Council concurrent planning data – for children placed concurrently 2000–2012	<b>143</b>
